

STAFFORD ROOFING LTD

Asphalt, 3Layer Felt Roofing, Liquid Coating Systems, Slate & Tiling, Leadwork.

Asheton Farm Business Centre, Tysea Hill, Stapleford Abbots, Essex, RM4 1JU

ENVIRONMENTAL POLICY STATEMENT

Stafford Roofing Limited believes that the protection of the environment is an integral part of company practice.

The company recognises that its activities, undertakings and operations may have a direct impact on the environment and are committed to ensuring that the business is conducted in a sustainable fashion with due regard to the environment.

The company will, so far as is reasonably practicable, aim to ensure:

- That, where applicable, legislative requirements are identified and met,
- The generation of waste is minimised,
- The control of waste and special waste is assured,
- That, where possible, we reduce energy consumption,
- That, where practicable, continual improvement is a primary objective,
- That, the promotion of environmental awareness is guaranteed through the provision of information, instruction, adequate training and effective communication,
- That, we prevent pollution to land and water,
- That, we reduce emissions to air,
- That, environmental considerations are at all times taken into account,
- That, we monitor our environmental performance through regular site visits and inspections.

Responsibilities:

The Managing Director is ultimately responsible for the management and control of environmental performance for all company activities, undertakings and operations.

Contract Managers are primarily responsible for supporting the Managing Director with the general 'day to day' management and control of environmental performance for all field operations, activities and undertakings in areas under their direct control.
